

# Flight Training Materials

There is equipment you will need for your flight training. Below, listed is the suggested the flight training materials for flight students. Not all of these materials are mandatory. The equipment highlighted in bold are the mandatory required items.

Flight Bag (any bag to hold your flight equipment)

- **Logbook**
- **Kneeboard**
- **Headset** (you can use ECAC loaner headsets until you have your own)
- **Plotter**
- **E6B** (mechanical flight computer)
- **VFR Sectional Chart** - (paper New York sectional)
- **Current FAR/AIM** (Book or electronic version)
- **Current PHAK** (Paper book or (free) electronic version)
- **Current Airplane Flying Handbook** (Paper book or (free) electronic version)
- **Foggles** (view limiting device)
- **Aviation Flashlight** (for night flights)
- **iPad** (optional)

Most of the these materials can be purchased at the East Coast Aero Club Office or at one of the pilot equipment supply websites such as:

Sportys

FlyBoys

While iPads and Tablets can be extremely helpful for flying, they can be expensive and are not mandatory. We have also marked the PHAK and AFH as optional.
